

98" Ultra HD 4K IR Display

Brilliant. Responsive. Engaging.

The 98" IPS display delivers a brilliant 4K image in a sleek enclosure.

IR touch technology enhances the user experience with a fast and intuitive interface, perfect for presentations and collaborative efforts.

Twelve highly responsive touch points allow for flexible interactivity. Optically bonded anti-glare glass supports touch and increases ruggedness while maintaining excellent clarity at any viewing distance.

Intuitive. Durable. Interactive.

- ✔ 4K Ultra High Definition
- ✔ Run content in either Full HD or 4K
- ✔ Wide viewing angle
- ✔ Low power consumption
- ✔ Optically bonded glass overlay
- ✔ Up to twelve touch points
- ✔ Final assembly in the USA

98" Ultra HD 4K IR Display
